

"Donor Survey Information and Regulations"

Supplementary Document

From January 1, 2025

This information serves only as a supplementary document, with no changes to the basic promotional regulations ("Donor Survey Information and Regulations").

Participating CSL Plasma Center:

- CSL Plasma Debrecen - 4029 Debrecen, Csapó utca 42.

1. Brief description of the Survey:

1.1 If the serological test was conducted using donated plasma

CSL Plasma Kft. provides a one-time HUF 20,500 shopping voucher instead of the originally announced HUF 7,500 voucher to donors who participate in the survey, complete the survey questionnaire in full, and submit it after their first, second, and third successful donations following serological testing (conducted from donated plasma) confirming their eligibility for plasma donation.

1.2 If the serological test was conducted using a blood sample

CSL Plasma Kft. provides a one-time HUF 20,500 shopping voucher instead of the originally announced HUF 7,500 voucher to donors who participate in the survey, complete the survey questionnaire in full, and submit it after their second, third and fourth successful donations following serological testing (conducted from a blood sample) confirming their eligibility for plasma donation.

In both cases, after the fourth donation, each additional questionnaire submission will entitle the donor to receive a shopping voucher worth HUF 8,500, instead of the originally announced HUF 7,500.

2. Duration of the Survey

From January 1, 2025.

Other provisions: CSL Plasma Kft. may suspend or withdraw the Survey at any time without justification.

3. Eligibility requirements and the Survey process

3.1 If the serological test was conducted using donated plasma

The Participant is entitled to receive the HUF 20,500 shopping voucher if they complete the questionnaire after their first, second, and third successful donations following a serological test (conducted from donated plasma),

independent of their donation, to confirm their eligibility for plasma donation, and submit it to the CSL Plasma Centre.

3.2 If the serological test was conducted using a blood sample

The Participant is entitled to receive the HUF 20,500 shopping voucher if they complete the questionnaire after their second, third and fourth successful donations following a serological test (conducted from a blood sample), independent of their donation, to confirm their eligibility for plasma donation, and submit it to the CSL Plasma Centre.

In all other cases, the HUF 8,500 shopping voucher are available to any Participant who, regardless of the specific donation, fully completes and submits each questionnaire related to satisfaction or needs assessments following their fourth donation, submitting it at the CSL Plasma center.

Budapest, 1 January 2025.
